NAPO's Priority Votes
114th Congress, United States Senate
*** In order of Senate Roll Call Vote.*

1st Session, 2015

1. **Vote #162: S 178 - Human Trafficking Victims' Fund - Advertising Child Prostitution.** April 22, 2015. This amendment would make it a crime to advertise commercial sex acts knowing the person was forced, defrauded or coerced to do so or that the person engaged in the commercial sex act is a minor. The amendment would exclude violations due to "reckless disregard of the fact." Adopted 97-2. *NAPO Supported.*

2. **Vote #163: S 178 - Human Trafficking Victims' Fund – Passage.** April 22, 2015. This bill would establish a Domestic Trafficking Victims' Fund, to which both new criminal penalties and, as amended, matching funds from already appropriated money for community health centers would be transferred. Amounts originating from criminal fines would be prohibited from being used for health care or medical services. The already appropriated funding would be used to award grants that may be used to provide health care and medical services for trafficking victims (that already-appropriated funding is already be subject to the so-called Hyde amendment). The amount of appropriated money transferred to the fund would be at least $5 million, but no more than $30 million for each fiscal year. The measure also would include a number of other provisions, including one that would allow for Justice Department block grants to fund activities relating to combating child human trafficking. Passed 99-0. *NAPO Supported.*

3. **Vote #280: S 2146 - Sanctuary Cities – Cloture.** October 20, 2015. Motion to invoke cloture (thus limiting debate) on the motion to proceed to the bill that would withhold federal funds under the Community Development Block Grant Program and the State Criminal Alien Assistance Program from cities and jurisdictions that do not comply with certain federal immigration laws. This measure would create a maximum penalty of ten years for individuals who re-enter the country and have been deported three or more times, and would set a mandatory minimum sentencing requirement of five years for individuals who have been convicted of a felony and re-enter the United States illegally after deportation. Motion rejected 54-45. *NAPO Supported.*

4. **Vote #339: HR 2029: Fiscal 2016 Omnibus Appropriations and Tax Extenders - Motion to Concur.** December 18, 2015. Motion to concur in the House amendments to the bill that would provide $1.15 trillion in discretionary appropriations in fiscal 2016 for federal departments and agencies covered by the 12 unfinished fiscal 2016 spending bills. Included in that total is: $21.8 billion for Agriculture; $55.7 billion for Commerce-Justice-Science; $572.7 billion for Defense, including $58.6 billion for overseas contingency operations associated with the war in Afghanistan and other counterterrorism operations

such as the fight against the Islamic State; $37. 2 billion for Energy-Water; $23.2 billion for Financial Services; $41 billion for Homeland Security in addition to $160 million for overseas contingency operations and $6.7 billion in disaster relief funding; $32.2 billion for Interior-Environment; $162.1 billion for Labor-HHS-Education; $4.4 billion for the Legislative Branch; $79.9 billion for Military Construction-VA; $52.8 billion for State-Foreign Operations, including $14.9 billion in overseas contingency operations; and $57.6 billion for Transportation-HUD. The measure would end the U.S. ban on crude oil exports and *would reauthorize health care and victim compensation programs for 9/11 first-responders.* The measure would also make permanent more than a dozen expired or expiring tax provisions, including a modified research and development business tax credit, the American Opportunity Tax Credit and the expansions to the child tax credit and the earned income tax credit. The measure would also extend various other tax provisions for either two or five years, and delay *for two years the 2.3 percent medical device tax and the so-called "Cadillac tax" under the 2010 health care law*. Motion agreed to 65-33. *NAPO Supported.*

2nd Session, 2016

5. **Vote #119: S 3100 – Grants for 'Sanctuary Cities' – Cloture.** July 06, 2016. Motion to invoke cloture (thus limiting debate) on the motion to proceed to the bill that would make states and cities ineligible for certain federal grants if they place restrictions on sharing information about the immigration status of individuals with the federal government or on fulfilling Homeland Security Department (DHS) requests to comply with "detainers," or requests to keep an immigrant in custody. Under the bill, in legal proceedings that challenge the legality of the detention of individuals pursuant to detainers issued by DHS, cities and states would not be liable for actions taken to comply with the detainers and the federal government would instead be the defendant. Motion rejected 53-44. *NAPO Supported.*

6. **Vote #157: HR 34 – Medical Innovation - Motion to Concur.** December 07, 2016. Motion to concur in the House amendment to the Senate amendment to the bill that would transfer from the general Treasury over 10 years the following funding into three new accounts in the Treasury: $4.8 billion for National Institutes of Health research ($1.8 billion of which would be for cancer research), $500 million for the Food and Drug Administration and $1 billion for opioid abuse treatment and response. The funding could only be spent through the appropriations process and would not be subject to discretionary budget caps. The measure also would reauthorize the NIH through fiscal 2020 and would modify the FDA's drug and medical device review and approval process to accelerate the approval and distribution of certain new drugs and devices. It contains provisions related to mental health treatment, including provisions that make changes to the Substance Abuse and Mental Health Services Administration, and also would include modifications to Medicare. *The measure would also create new research funding, authorize mental health and criminal justice reforms, and includes grants to fight opioid abuse.* Motion agreed to 94-5. *NAPO Supported*.

7. **Vote #159: S 2943 – Fiscal 2017 Defense Authorization - Conference Report.** December 8, 2016. Adoption of the conference report on the bill that would authorize $611.2 billion in discretionary funding for defense programs in fiscal 2017, including $534.4 billion for the base defense budget and $67.8 billion for overseas contingency operations, of which $8.3 billion would be for non-war, base defense budget activities. It would authorize: $222.4 billion for operations and maintenance; $139.6 billion for military personnel; $7.9 billion for military construction and family housing; and $33.4 billion for defense health care programs. It would provide a 2.1 percent pay raise for military personnel and would prohibit the Defense Department from using funding to transfer detainees at Guantanamo Bay, Cuba, to the United States, or to close the detention facility at Guantanamo Bay. *It did not include a NAPO-opposed provision that would codify President Obama's Executive Order 13688.* Adopted (thus cleared for the president) 92-7. *NAPO Supported*.

NOTE: NAPO had several legislative victories in the Senate in the 114th Congress that are not included in this report as they were passed by unanimous consent, which does not record how each individual senator voted for the legislation. This document only tracks yea/nay votes in order that we can attribute support or opposition to senators on NAPO's priority legislation and analyze their support for our positions in a meaningful way.

The legislation that passed the Senate by unanimous consent in the 114th Congress:

- S. 125: Bulletproof Vest Partnership (BVP) Grant Program Reauthorization Act
- S. 665: Rafael Ramos and Wenjian Liu National Blue Alert Act

NAPO's Priority Votes

114th Congress, United States House of Representatives

*** In order of House Roll Call Vote*

1st Session, 2015

1. **Vote #216: HR 606 - Public Safety Death Benefit Income Tax Exclusion – Passage.** May 12, 2015. This bill would exclude from federal income tax federal death benefit payments to family of public safety officers killed in the line of duty and money paid from states to surviving dependents of public safety officers killed in the line of duty. Motion agreed to 413-0. *NAPO Supported.*

2. **Vote #244: S 178 - Anti-Human Trafficking Programs and Victims Fund – Passage.** May 19, 2015. This bill would authorize a number of programs to combat sex trafficking, particularly sex trafficking of minors. The bill would include provisions that would establish a fund to support trafficking victims, create a new victim-centered grant program to provide assistance to states and local law enforcement to bolster the investigation and prosecution of sex trafficking, and to help victims of such crimes; and bolster the ability of law enforcement to investigate and prosecute sex trafficking, including by targeting individuals who purchase sex from human trafficking victims. Motion agreed to 420-3. *NAPO Supported.*

3. **Vote #588: HR 22 - Surface Transportation Reauthorization - Truck Weight Limits.** November 03, 2015. This amendment would allow states to permit trucks on their Interstate highways that exceed the current weight limit of 80,000 pounds. Trucks would need to be equipped with a sixth axle and could not exceed a gross weight of 91,000 pounds. Rejected. 187-236. *NAPO Opposed.*

4. **Vote #703: HR 2029 - Tax Extenders - Motion to Concur.** December 17, 2015. This Senate amendment to the bill with an amendment that would renew various expired tax provisions for the 2015 tax year, which would allow businesses and individuals to claim those tax breaks when filing their 2015 tax returns in the new year. *It would extend the excise tax on employer-sponsored health benefits plans for two years.* Further, it would extend four provisions for five years, including the Work Opportunity Tax Credit and the new markets tax credit. It would make the research and development, a financing exemption for business income earned overseas, certain charitable tax provisions, changes to the child tax credit and the earned income tax credit, and the American Opportunity Tax Credit permanent. It would place a two-year moratorium on the 2010 health care overhaul's medical device tax and would include IRS administrative provisions for the treatment of 501(c)4 social welfare organizations and program integrity initiatives for three refundable tax credits. Motion agreed to 318-109. *NAPO Supported.*

5. **Vote #705: HR 2029 - FY 2016 Omnibus Appropriations - Motion to Concur.** December 18, 2015. This Senate amendment to the bill that would provide $1.15 trillion in discretionary appropriations through Sept. 30, 2016 for federal departments and agencies covered by the fiscal 2016 spending bills. Included in that total is: $21.75 billion for Agriculture, $55.7 billion for Commerce-Justice-Science, $572.7 billion for Defense, $37.2 billion for Energy-Water, $23.2 billion for Financial Services, $41 billion for Homeland Security, $32.2 billion for Interior-Environment, $162.1 billion for Labor-HHS-Education, $4.4 billion for Legislative, $79.9 billion Military Construction-Veterans Affairs, $52.8 billion for State-Foreign Operations, and $114 billion for Transportation-HUD. The measure would end the U.S. ban on crude oil exports and *would reauthorize health care and victim compensation programs for 9/11 first-responders.* Motion agreed to 316-113. *NAPO Supported.*

2nd Session, 2016

6. **Vote #64: HR 3036 - National September 11 Memorial – Passage.** February 09, 2016. This bill would designate the National September 11 Memorial at the World Trade Center site in New York City as a national memorial, but not a unit of the National Park System. Additionally, the bill would allow the Interior Department, for a maximum of seven years, to award a single grant per year to a nonprofit for the operation and maintenance of a memorial commemorating the victims of the Sept. 11 terrorist attacks and the victims of the terrorist attacks on the World Trade Center on Feb. 26, 1993. Motion agreed to 387-12. *NAPO Supported.*

7. **Vote #167: HR 699 – Electronic Communications Warrants – Passage.** April 27, 2016. This bill would require a government entity to obtain a warrant in order to require a provider of electronic communications or remote computing service, to disclose the contents of a wire or electronic communications. Additionally, the bill would require a government entity to obtain a warrant or the consent of the subscriber or customer in order to require an electronic communication or remote computing service to disclose the record or other information of a subscriber or customer of their service. Motion agreed to 419-0. *NAPO Opposed.*

8. **Vote #592: HR 34 - Medical Funding - Motion to Concur.** November 30, 2016. This Senate amendment with an amendment that would reauthorize the National Institutes of Health and Food and Drug Administration, and would modify the FDA's drug and medical device review and approval process to accelerate the approval and distribution of new drugs and devices. The measure would create three dedicated offset funds within the Treasury into which $6.3 billion would be transferred over 10 years, through 2026. The accounts would include $4.8 billion for NIH medical research, $500 million for FDA approval and review modification and $1 billion for opioid addiction treatment and response. Funding for the accounts would not count against annual budget caps. Within the NIH funding, $1.8 billion would be for cancer therapy and test development, $1.5 would be for brain-related research and $1.5 billion would be for medical treatments related to genetic characteristics. The measure would expand the Health and Human Services Department's oversight of mental health issues, would modify the Medicare program for hospitals, and would allow small employers to provide certain reimbursement plans for employees to purchase their own health insurance. *The measure would also create new research funding, authorize mental health and criminal justice reforms, and includes grants to fight opioid abuse.* Motion agreed to 392-26. *NAPO Supported*.

9. **Vote #600: S 2943 - Fiscal 2017 Defense Authorization - Conference Report.** December 02, 2016. Adoption of the conference report on the bill that would authorize $611.2 billion for defense programs in fiscal 2017, including $59.5 billion for overseas operations in Afghanistan, Iraq and Syria. It would authorize $222.4 billion for operations and maintenance; $139.6 billion for military personnel; $7.9 billion for military construction and family housing; $10 billion for ballistic-missile defense; and $33.5 billion for defense health care programs, including $374 million from the overseas operations account. It

would prohibit the use of funds for a new round of base closures. The bill would authorize a 2.1 percent pay raise for military personnel. It would elevate U.S. Cyber Command to an independent major command within the Defense Department. It would prohibit detainees at Guantanamo Bay, Cuba, from being transferred to U.S. soil, and would prohibit the closing of the main base and detention facility at Guantanamo. It would extend, through 2017, the authority for several bonus and special payments for military members. *It did not include a NAPO-opposed provision that would codify President Obama's Executive Order 13688.* Adopted 375-34. *NAPO Supported*.

NOTE: NAPO had several legislative victories in the House of Representatives in the 114th Congress that are not included in this report as they were passed by voice vote, which does not record how each individual member voted for the legislation.
