The Honorable Mac Thornberry  
United States House of Representatives  
2208 Rayburn House Office Building  
Washington, D.C. 20515

Dear Congressman Thornberry:

On behalf of the National Association of Police Organizations (NAPO), I am writing to you to express our full support for the Synthetic Abuse and Labeling of Toxic Substances (SALTS) Act of 2015 (H.R. 1183).

NAPO is a coalition of police unions and associations from across the United States that serves to advance the interests of America's law enforcement through legislative and legal advocacy, political action, and education. Founded in 1978, NAPO now represents more than 1,000 police units and associations, 241,000 sworn law enforcement officers, and more than 100,000 citizens who share a common dedication to fair and effective crime control and law enforcement.

The SALTS Act will address the growing problems associated with synthetic drugs. While taking these drugs, individuals can experience elevated heart rates and blood pressure, hallucinations, seizures, and extreme agitation. There have been reports from states around the country of people acting violently while under the influence of these drugs, leading to deaths or injuries to themselves and others.

By making it easier to prove that synthetic drugs are intended for human consumption, this legislation will help law enforcement in their efforts to get these drugs off the streets and out of stores.

NAPO stands ready to support any efforts necessary to pass this important legislation. If you have any questions, or if we can be of further assistance, please feel free to contact me at: (703) 549-0775.

Sincerely,

William J. Johnson  
Executive Director
